What is distinct?

Distinct is an electronic music festival where obscurity is embraced. It features underground music for its progressive community. Distinct is open for all kinds of (artistic) expression by any of its friends.

Brand piramid

Tone of voice

Here at distinct we want to connect with our community by talking to them like friends.

Example:

09/09. A night where time disappears, and only the music matters. 8 hours of deep bass, sharp breaks, and trance that pulls you in. Are you ready?

Target audience

Underground electronic music lovers

[18 - 25]

Moodboard

Color

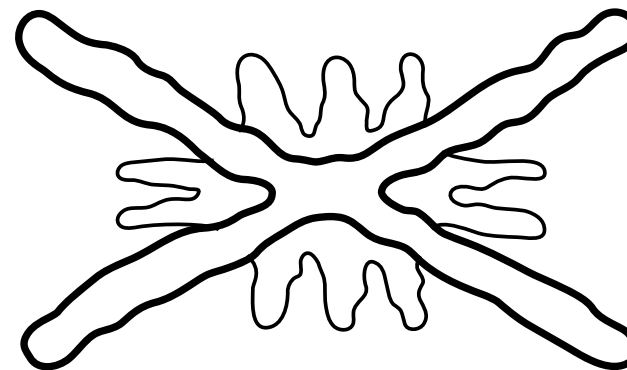

At distinct color does not matter, whether you're black, white or purple. You are welcome.

So, in the colors used for the brand it is also very adaptable. For each application a different color is used, together with greyscale.

Logo & symbol

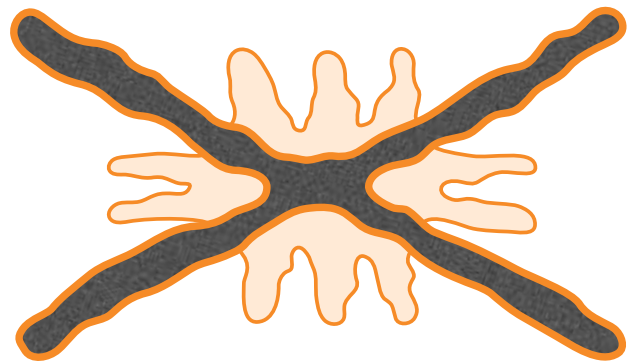

Distinct

The distinct logo is just like it's colors, very versatile. It can be used in all shapes and forms but it should be at least 4cm tall.

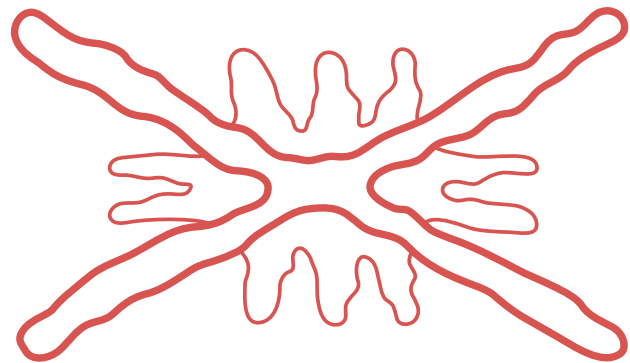

The distinct symbol is even more versatile. The only requirement here is that it should be readable.

Herbal maté

We created a herbal maté branding. This drink is very popular at raves because it's a non-alcoholic energy boosting herbal drink, that even tastes great!

Poster

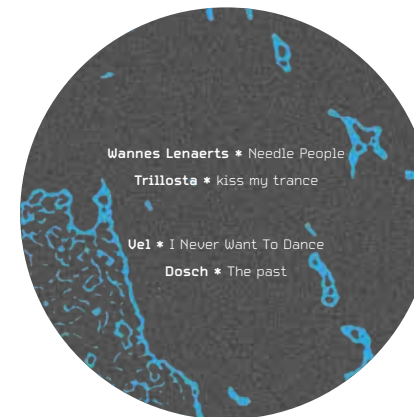

A festival without a fitting poster is like a bar without drinks. So for Distinct we created this poster with an abstract texture, fitting the vibe.

Vinyl

As memorabilia for the adventure that Distinct can be, we made this vinyl LP. We know that you can't fully remember everything, but at least you can now listen to the best parts!
